II Will the Government be pleased to state -

(a) If it is true that the Amildar-President of the Mulbagal Municipal Council removed without the knowledge and permission of the municipal Council all the Municipal records and furniture from the Municipal office first to his house and thereafter to his chamber in the Taluk office

(b) If it is true, that as a protest the Municipal Councillors convened a meeting in the Municipal Office and submitted a resolution to the Deputy Commissioner disapproving of the action of the Amildar-President

(c) If it is true that enraged at this the Amildar-President went to the Municipal Office and with the help of the Police locked the building with his private lock and placed a Police guard day and night and thus wilfully prevented the members from making use of the building.

(d) If it is true that the Amildar as the President of the Municipal Council refused to record the unanimous resolution of the Municipal Council in the matter of placing the Municipal clerk under suspension for his misconduct and that the members feeling this to be an insult left the meeting in a body

(e) In the event of the above allegations being true, will the Government be pleased to take due notice of the highhanded action of the Amildar who seriously disturbed the peaceful work of the Municipal Council ,flouted the opinion of the Non-Official municipal Councillors and frustrated the fundamental principles of Local Self Government

Issued and resubmitted as per orders of the Assistant Secretary in para 35 of the notes

The complaints against Mr Yasim Sab are ---

1 That he did not pay proper attention to the maintenance of necessary registers and accounts, that the entries in the cash book were not made from day to day, that the items entered therein had been corrected in many places and neither the entries --- made nor the corrections bear the initials of the - Vice-President

The Vice-President says that it is the duty of the clerk to attend to the above, that the clerk - was appointed by the Vice-President and though the incompetency of this official was pointed out by -- him his complaints were not heeded to and besides - the records and registers were got removed by the-- President from the Municipal Office to his Chamber in the Taluk Office

As regards the appointment of the clerk, the President on the other hand has stated that the - official was selected by the Vice-President and it was the Vice-President that stood in the way of the clerk's transfer The Deputy Commissioner has accepted the President's statement

Whoever might have appointed the clerk, it - seems that both the President and the Vice-President

have to bear the blame in regard to the unsatisfactory state of the accounts and Registers From the Deputy Commissioner's letter of the 11th January 1924 it will be seen that the President had not interested himself in the affairs of the Municipality for a period of 3 months after he took charge of the Taluk and did not even attend a single meeting The President explained it as due to his fear of the bad influence of the Vice-President in the Town Some of the irregularities pointed out refer to periods prior to the Presidentship of Mr Subba Rao Naik -- Para 2 of the Sub Division Officer Mr B Srinivasiengar's report dated the 14th September 1923 shows how far the blame lies on the Vice-President

Flag X

The Vice-President says that the records were removed from the Chavadi where the Municipal Office was being held during his absence from the station and without his knowledge and consent

Paras 1 to 16 of the President's report to the Deputy Commissioner No 220 dated the 1st April 1924 explain the circumstances under which the records and registers were removed to the Taluk Cutchery The President has added that he found necessary to transfer the records to his office during the absence of the Vice-President

V

In his report to the Deputy Commissioner dated the 15th September 1923 the Amildar has also stated that the Municipal Office with the records etc

to be shifted to the Taluk Cutcherry as the Chavadi in which it was being ~~held~~ was under repairs and was also otherwise inconvenient viz want of accommodation, distance from the Taluk Office which rendered it difficult for him to attend to Municipal Office work

The idea of shifting the office was also in contemplation even during the term of Mr Subba Rao Naik's predecessor for the last of the reasons urged by Mr Subba Rao Naik

2 Khists amounts due in respect of the following items have not been recovered and no steps seem to have been taken for their recovery -

	Items	1921-22	1922-23	1923-24
1	Shandy collection	Rs 25	Rs 180 @ Rs 30 for 6 months	3 months deposit of Rs 7

	Total	Rs 25	Rs 477 8 0	Rs 10

Rs. 662-8-0

The Vice-President says that he has done everything in his power to collect the Khists and has completed records in cases where he could not get money and further steps have to be taken by the President But his actions, in regard to the Khists amounts do not seem to have been very regular For the Depos

amounts, which had to be recovered before the sale -- could be confirmed, had not been recovered and remitted to the Treasury according to the Vice-President's statement even on the 20th September 1923, though the sale was held on the 14th June 1923 and the Vice-President has recorded receipt of money on the 22nd June 1923 on the strength of which the President states -- that he confirmed the sale

The President should not have confirmed the sale without a Treasury Certificate. The Vice-President' explanation that he made the usual endorsement and - afterwards discovered the omission does not seem to be acceptable It is not usual to record certificates of recovery of money before money is actually paid It does not seem that any necessity existed for his going out of his way and to induce people to take contracts of these items when they had no money to pay for as is alleged to have been done by the - Vice-President He also states that he explained these facts to the President It is for consideration whether the President would have confirmed the sale on the above representation

4. The Senior Auditor has in his Note dated the 7th October 1923 remarked that the cheque book used during 1922-23 was with Mr Mahomed Yasin Sab and it was not produced for audit though called for several times and the gentleman left the place about 5 days after the arrival of the Auditors without sending -- the Cheque book.

With reference to this the Vice-President says that he was not aware of the arrival of the Auditors and the President did not communicate to him that the cheque book was wanted He admits of his absence for 5 days

It is not known how far his statement about his ignorance of the arrival of the Auditors could be believed In such places news of fresh arrivals of any Government officer spread in no time The President merely states that the Vice-President was informed of this often & he has not produced any documentary evidence though challenged by the Vice-President

In para 3 of his note the Senior Auditor states that the following bills and payees' receipts for 1922-23 were not forthcoming for audit -

1	Receipt for Rs 4	Contingent charges drawn on Cheque No 6 dated 3rd July 1922

As regards Rs 4 the Vice-President says that the office was audited on the 13th December 1922 and this item was not objected to at that time and receipt may be taken now The mere fact that it was not pointed out once before does not make the transaction regular As regards (2) to (5) the Vice-President says the bills relating to these must be in the records and as the records were removed by the President, he must alone account for them and if need be duplicate vouchers may be obtained from the parties

tions though the Vice-President says in regard to the latter transaction that the sale record ex was in the office and it is not possible to say - anything from memory at this distance of time In the face of the remarks of the Deputy Commissioner, it is a point for consideration how far this explanation can be accepted

The President seems to have gone out of his way in having taken Rs 300 from the Vice-President's peon, the value of the cheque cashed He says he did this that the establishment might be paid earlier and in the office instead of in the Vice-President's house and as the moneys were not being properly utilised He does not seem to - have been right in taking the cheque book from -- the Vice-President This is generally kept under the latter's custody This has been returned to the Vice-President But the President would - - have done better if he had taken the orders of -- the superior authorities before adopting such a course

On the other hand, the Vice-President does not seem to have been in the right in having - - arranged for a meeting on 5th January 1924 - - without the authority and knowledge of the President The extract from "To" Register does -- not show that any such power has been delegated - to him The Vice-President has also stated that the President has indentified himself with the -

party which worked against his election and had determined to lower his prestige This is refuted by the President, who says that with the help of a retired Sub Registrar the Vice-President has created all troubles The Deputy Commissioner has however stated that Mr Yasim Sab has not been getting on well even with Mr Subba Rao Naik's predecessors including Mr Abdus Subhan who is known to be quite non-interfering -- and that even the Sub Division Officers were -- complaining against him

The Deputy Commissioner's report refers to the other allegations regarding the sale of site near the L F Dispensary the sale amount of -- which is said to have been refused to be credited by Clerk Venkatasamiah

was a clear direction in the sale notice issued by the Vice-President dated the 1st November 1923 and in the Harajpatti dated the 16th November 1923, that the amount had to be paid as soon as the bid was closed, failing which, the site was liable to be resold at the risk of the auction purchaser. The auction was closed for Rs. 20/12/0 but neither the fact of receipt of money had been recorded therein nor treasury certificate of payment entered therein as required. No steps seem to have been taken for crediting money to the Treasury till the President wrote on the 24th November 1923 to the auction purchaser for money, who in an endoresement dated the 1st December 1923 stated that the money was paid in full to the Vice-President on the 28th November 1923.

On account of the failure of the party to pay the amount according to the terms of sale notice, it does not seem that the Vice-President could have accepted payment without bringing the matter to the notice of the President as a resale had to be arranged for and the matter had to be decided at the meeting. It would not have been regular for the clerk to accept the amount while there was a notice from the President for a resale for failure of compliance with the terms of notice It seems that the Vice-President cannot reasonably complain against the President or the clerk for not being a party to the irregularity.

The complaint chiefly consists of temporary misappropriation of moneys received by the Talukdar, in respect of certain collections of Sale proceeds. The explanation furnished by him in this respect (vide items 3 & 4 Flag A) may be true or false. However he says that he obtained thumb-tickets from the contractors to pay the deposits to the Sales confirmed after explaining the facts to the Auctioneer. The Auctioneer should ought to have reported the matter at once if he found the explanation not satisfactory.

As to grievances voiced it only shows that the Vice-President is not business-like in his dealings.

The Auctioneer seems to have acted in a high handed manner in removing furniture, records etc from Chavadi without intimation to & without informing the Council. He is not justified in taking Rs 200/- from Daroga which sum had to be given to Vice-President. Such conduct on his part is calculated to lower the prestige of the Vice President in the estimation of the public

From the whole proceedings it seems to me that there has been considerable ill-feeling between the Auditor & Vice-President; & that both these are not free from blame & that Dr. Lemos' attempts to consider the Auditor to be free from blame & attaches undue importance to the complaints preferred by the Auditor against the Vice-President who has been painted with black colours.

There are no sufficient materials on record to take adequate measures to remove the Vice-President as recommended by Dr. The remedy was in the hands of the Municipal powers subject to the Vice-President

SIR,

With reference to your letter No L 9184/ L 132-23-6 dated 12th April 24 requesting me to submit a report on the points raised in the interpellation by Mr B L Byanna I have the honour state that the explanation of the Amildar-President has already been forwarded to Government with my letter No O C,762/23-24 dated 2nd April 24 My own remarks on the several points raised in the said interpellation are as follows -

(a) The removal of the municipal office from the chavadi to the Taluk Cutchery in August 1923 was not merely justified but quite necessary in the interests of good administration The Amildar has explained the circumstances which led to the removal and his explanation is correct

(b) The proceedings of the meeting of the 11th January 24 was not against the removal of the Municipal office to the Taluk Cutchery but regarding the ruling of the Amildar on a resolution brought forward by Mr Yasim Sab at the Municipal meeting of the 5th January 24 proposing that the Municipal Clerk Venkatasamaiya should be suspended forthwith for disobedience of his (Mr Yasim Sab's) orders This protest meeting convened by Mr Yasim Sab without the knowledge of the Amildar-President, was held in the chavadi and a copy of their resolutions was sent to Government and to me The Amildar's report dated 17-1-24 explains in detail the circumstances

-der which he was compelled to take possession of the ch-[illegible]
on 13th Jan' 1924

(d) As regards the resolution which the Amildar is said to [illegible] declined to record at the Municipal meeting held on 5th January 24 [illegible] should be noted that the subject was not included in the original ag[illegible] of the meeting sent out by the Amildar-President for circulation but inserted by the Vice President in his own writing and on his own auth[illegible] at the end of the agenda when it reached him. The subject related to notice to be taken of Clerk Venkatasamaiya referred to above. At the meeting Mr.Yasim Sab wahted this question to be taken up first in pr[illegible]-ence to the others on the agenda and the Amildar agreed to the course a connected subject, item No.4, which related to the regularisation of procedure adopted by the Vice President in regard to the sale of a vac Municipal land held on 16-11-23 was also set down for discussion but Yasim Sab desired that the clerk should be forthwith suspended. The Amildar refused to record a resolution in these terms as he thought th the matter was one for consideration by the Municipal Executive, namely the President and the Vice President in the first instance, and that to suspend a clerk who had acted in accordance with his (Amildar's) instru tions even without obtaining his explanation would have amounted to sac ficing an innocent official on account of differences between the Presi and the Vice President. In this view the Amildar's conduct was quite correct; but even if the Amildar was wrong the Vice President, an offi of the Municipality did not act properly in walking out of the room wi 7 other councillors uttering insulting words towards the Amildar "[illegible]"

The truth of the matter seems to be that as pointed out by the Amildar Mr Yasim Sab did not desire an open discussion of item No.4 which would have brought to light the delay by him in the remittance of the purcha money received at the sale or at least the irregularity in receivin[illegible] ment twelve days after the sale though according to the sale conditio the sale should not have been concluded unless the full amount was paid on spot.

(c) As regards the locking of the chavadi with his private lo and placing a Police guard day and night; I would invite the attention Government to the proceedings of the protest meeting of the 10th Janu

recorded under the presidency of Mr.Yasim Sab which left no alternative to the Amildar but to take immediate possession of the building and its belonging. It will be seen that at this meeting - - convened by Mr.Yasim Sab in defiance of the Amildar-President's authority Mr.Yasim Sab and his friends have resolved (1) to suspend the Clerk Venkataramaiya and appoint Bill Collector Narayana Char in his place, (2) to take charge of the office records and furniture immediately (3) to direct the Municipal establishment to work under the orders of the Vice President and not of the Amildar (4) to recover Octroi and other taxes in the chavadi and finally (5) to empowerm the Vice President to destrain moveables within the Municipal limits. In other words Mr.Yasim Sab refused to recognise the authority of the President abd took all measures necessary to set up an independent Municipal administration of his own in Mulbagal To crown all, a letter was addressed to the Amildar immediately after the close of the meeting by the Vice President marking the letter as " No. 1 from the Municipal office " requesting him to hand over the records and furniture of the Municipal office which were then in the Taluk Cutchery! I do not know how to characterise this extraordinary procedure on the part of Mr Yasim Sab. When the Amildar received this letter he did the minimum duty that was expected of him in taking charge of the building and preventing the Municipal administration from becoming a mockery As regards keeping a Police watch the Amildar says that none was kept but in the Police Sub Inspector's diary (copy enclosed) of the 13th January 24 it is recorded "[illegible]

[illegible]

The Amildar probably means that he did not maintain a regular watch but in the circumstances even if he had maintained he would not have been very much in the wrong

(e) As regards the high-handed action of the Amildar I would respectfully submit that the Amildar has not been guilty of high-handedness in any respect or on any occasion in connection with this

affair and that, if anything, the highhandedness is on the part of Vice President I leave it to Government to judge whether the co of the Amildar who tried to protect the interests of the Municipal t the good name of the Government according to his lights and to the of his ability in a most difficult situation deserves notice or of the Vice President who being an officer of the Municipality led ment of non-co-operation against the President in a unicipal meet finally attempted to set up an independent parallel Municipal admi tion of his own in the chavadi from which the Municipal office had removed more than 3 months previously

2 There is sufficient material on the record to bring home th serious irregularities to the Vice President in the conduct of the Municipal administration for a period of nearly 2 years That Mr.S Rao Naik also has a grudge against the Vice President is patent from t fact that he ignored Municipal administration altogether and left ev thing to the Vice President until he was asked to look into the matt by me Naturally this roused the ill-will of Mr Yasim Sab who to the consequences of his acts and knowing that enquiries were being h me and the Comptroller's staff has been trying to camouflage the r issues by making allegations against the Amildar He has trotted ou again his usual complaint (Vide his petition dated 12-9-23 to th Chief Secretary to Government) that Mr Subba Rao Naik has co out with tooth and nail to exterminate the Mahomedans" It is easy make such allegations against the most upright officers but I beg lea to assure Government that in this affair there has not been the least attempt by any body to bring Mr Yasim Sab into undeserved trouble a single officer has so far a good word to say about Mr Yasim Sab Mr Abdus Subhan, a respectable officer and one of the quietest I have c across could not get on with him I have already mentioned in my (Underlined) letter No O.D.730/27-24 dated 10-1-24 that Mr Secci had left a note against him and I may add that Mr Navaneetham Naidu, Sub Division Offi Mr Macleod, District Superintendent of Police, and Mr Vathirajalu Naidu District Forest Officer had all complained to me about him

Mr Subba Rao also exercises to the stuff of which autocra

are made I had to find fault with him for cowardice as he said that Mr Yasim Sab was threatening physical violence and when I confronted the latter with this allegation on 20-9-1923 he admitted to my face having conveyed a threat in the words "ನಮ್ಮ ದ್ವೇಷ ಬಹಳ ಸ್ಮಶಾನವೂ ಬಿಡೋಲಿಲ್ಲ ಕಾಣಿ" It is for Government to decide whether such conduct is justifiable in an officer of the Municipality even if he (the Vice President) had a legitimate grievence against the Amildar

3 I am anxious not to overdraw the picture against Mr Yasim Sab He is a man of considerable intelligence,writes a fine kannada st le and is capable of accomplishing much good work if properly guided and controlled but unfortunately in addition to pecuniary troubles he seems to be under the influence of some evil ad isers The greatest consideration has been shown to his failings and I myself brought about a compromise (1) between him and Mr Srinivasa Iyengar (2) between him and Mr Abdus Subhan and (3) e en between him and Mr Krishnamurth a har But all to no purpose If mat ers have not come round in a manner satis factory to Mr Yasim Sab he has himself to thank for it

4 I may add t at the Municipal Councillors have realised their folly and have since attended the three meetings of the Municipal Council held by the Amildar in the Municipal Council

1 Interpellation brought forward by Mr B L [illegible] Member, Mysore Legislative Council to be answered at the meeting of the said Council in regard to certain matters connected with the administration of the Kulbargal Town Municipal Council

2 Correspondence ending with letter No O C 762 dated the 6th June 1924 from the Deputy Commissioner of District, submitting a report on the points raised in the interpellation, with his own remarks thereon

3 Read also correspondence ending with the Deputy Commissioner's letter No O C 762 dated the 5th May 1924 forwarding the explanation of the President and the Vice-President of the Municipal Council in regard to certain allegations made against each by the other with the Deputy Commissioner's own remarks thereon

---

O r d e r N o 11/L-C 137 - 11

Camp Mysore 11th October 1924

The points raised in the interpellation were that Amildar removed the Municipal records and furniture from Municipal Office located in the Chavadi to the Taluk Off without the knowledge and the consent of the Municipal Council that a protest meeting of the Council was held later in the Chavadi by the Members that the Amildar enraged at this, locked the Chavadi and placed a guard over it and that he refused to record a resolution of the Municipal Council in the matter of placing under suspension Municipal Clerk Venkatasamaiya for having disobeyed the orders of the Vice-

President

2 The Amildar states that he removed the records -- of the office to the Taluk Cutcherry in order to facilitate work and in order that he might devote personal attention to -- the same Government observe that the explanation fur- - nished by the Amildar in regard to this to the Deputy Commissioner earlier differs somewhat from that furnished by - him in answer to the interpellation The explanation does not sufficiently account for the fact as to why the Municipal Council was not previously consulted in the matter or - why the permission of the Deputy Commissioner in writing -- was not obtained before he adopted this course

3 As regards the refusal of the Amildar to record - the resolution of the Municipal Council in regard to suspension of Clerk Venkatasamaiya and the protest meeting - - held by the Council, the Amildar says that the proposition about the clerk was not in the original agenda and that it was subsequently added by the Vice-President The Vice- - President was not in order in inserting a proposition in -- the agenda when it was sent to him for information As -- however the Amildar allowed the question to be discussed, - it was his duty to have recorded a formal resolution which was passed, and if he disagreed, to have made a reference - about it to the Deputy Commissioner

4 As the Amildar did not do this, a meeting of the Council was held in the Chavadi on the 12th January 1924 -- without his knowledge at which resolutions to set up a separate Municipal Government were passed On account of -- this, the Amildar seems to have removed all the Municipal - articles from the Chavadi and had it locked The records also go to show that there was also a watch kept by the - - Police It cannot, however be said that the Amildar was - not quite justified in adopting this course

5 Certain charges have been made against the Vice-

President To begin with, it is stated that the Cash was not neatly kept and that there were erasures and alterations in it which were not initialled by the Vice President The Vice-President throws the blame upon the Municipal Clerk but the Deputy Commissioner says that the Clerk was the Vice-President's selector The Amildar says that he was an unsatisfactory man and that he complained against him to the Deputy Commissioner Both the President and the Vice-President have to be blamed in the matter

6 The serious charge against the Vice-President is that he did not receive the deposit amounts in respect of the sale of Slaughter House, Mutton Stalls and Shandy Collections but acknowledged the receipt of the same and got the sales confirmed by the President The Vice-President says that there were no local bidders, that he got men from Kolar and Bethamangala, that there was not time for resale that he got Mutchalikas from them and that he explained the whole situation to the President who confirmed the sale -- The Amildar denies that the matter was explained to him -- However the Amildar confirmed the sale and he should have seen before he took that step that the Treasury Certificate was forthcoming and was in the record

7 From the above it will be seen that there has been some mismanagement of affairs in the administration of the Mulbagal Municipal Council and that both the President and the Vice-President are responsible for the same

8 Government observe that the conduct of the President and the Vice-President is to be regulated by the principles laid down in Sections 24 and 25 of the Municipal Regulation The affairs have to be conducted under a scheme of distribution and delegation of their respective duties and powers whereby the Vice-President has to work in subordination to the President the chief responsibility

however resting with the President But no further action in this case seems to be necessary as the Amildar - has been transferred from Mulbagal and the Vice-President has gone out of office at the elections held in connection with the reconstitution of the Council
